

Think Clear Trademark Awarded

Clearis Corporation is Granted Approval for Federal Trademark Registration for the "Think Clear" slogan name.

Austin, TX - January 02, 2007 -- Clearis Corporation, announced today that the United States Patent and Trademark Office ("PTO") has granted approval for federal trademark registration for the name "Think Clear". Clearis applied for the federal trademark registration in February 27, 2004.

Clearis Corporation has utilized the "Think Clear" slogan in multiple marketing campaigns since 2001.

Clearis Corporation was founded in 2001, with the goal of bringing high-quality information systems consulting to small and medium size enterprises (SMBEs), believing that high-quality technology implementation can also be made affordable to smaller organizations, by utilizing repeatable models and systematic quality control. Clearis brings to organizations in the Public and Private sectors its vast experience in the Customer Relationships Management and Enterprise Applications, with a focus on Call Center Technologies.
